Dear Resident:

Re: Temporary on-street parking allowed on west side of Fothergill between Sherwood Forest Park and Prince William Drive during construction at Sherwood Forest Park

This spring, the City of Burlington will be continuing work to revitalize Sherwood Forest Park. Beginning May 3, 2019, construction will begin for the next several months. As a result of this construction activity, the east parking lot at Sherwood Forest Park will be temporarily closed.

To help accommodate visitors taking part in organized sport programs at the park, temporary on-street parking will be permitted on the **west side** of Fothergill between Sherwood Forest Park and Prince William Drive **effective Friday, May 3, 2019**. The temporary parking allowance will be in place until the completion of the construction at Sherwood Forest Park which is anticipated for mid June.

When parking on-street, drivers are reminded that vehicles are not permitted to:

- Park between the hours of **1 a.m. to 6 a.m.**, seven days a week
- Park for longer than the 5-hour on-street parking maximum
- Park within 3-meters of a fire hydrant
- Park obstructing any portion of the sidewalk
- Park on any portion of the boulevard
- Park facing the wrong way.

If you require additional information about the construction at Sherwood Forest Park or the temporary on-street parking allowance, please call 905-335-7816 between 8:30 a.m. to 4:30 p.m., Monday to Friday.

Yours truly,
